

The background of the slide is a photograph of a soccer game. A player in a dark jersey with 'NMJC' and the number '10' on the back is jumping to head an orange soccer ball into a goal. The goal net is in the foreground, and a large stadium is visible in the background under an overcast sky. Other players are visible on the field.

**Through advocacy, community outreach, and facility management, we leverage underused property to provide recreation facilities for local residents.**
